PORTLAND ME

## ABOUT US

TEMPOart is a 501(c)(3) nonprofit with a mission to commission temporary public art that sparks dialogue, builds community, and inspires our collective imagination.

Founded in 2015, TEMPOart is the only nonprofit temporary public art organization in the City of Portland, Maine. Installed for up to two years, our artwork is free and accessible to all. We partner with other educational and cultural institutions to offer inspiring free programming at the project site for people of all ages and backgrounds.

We believe that art can be a catalyst to connect communities and inspire meaningful thought and conversation on timely issues. TEMPOart energizes Portland's public spaces through our temporary art installations—engaging residents and visitors, enriching its creative community, and enhancing Portland's reputation as a world-class city.
